MEMORANDUM FOR: Chief, Control Center, OSA

SUBJECT: OSA Status Charts

REFERENCE: Memo from C/OD/OSA; dated 17 July 1963;
subject: as above (OSA 3899-63)

1. The task of developing a series of pertinent OSA status charts is rapidly reaching completion. Individual charts are completed and it is estimated that all required charts will be ready for posting shortly.

As outlined in paragraph 3 of reference, Control Center personnel will post these charts from formatted information, some of which will be furnished by other staff sections outside the Operations Division. In order for a routine system to be developed, the Control Center is charged with the responsibility of developing blank report formats for each chart involved and furnishing an initial issue of these blanks to each staff section involved.

3. It is requested that the Control Center initiate necessary actions to begin posting and maintaining each status chart as it becomes available.
